License Expiration Date _____

The Amateur Radio Emergency Service (ARES) is a voluntary organization of licensed radio amateurs who have registered their capabilities and equipment for providing emergency communications as a public service to the community. The purpose of ARES is to provide emergency communications in the event of a natural disaster or other emergency where regular communications are inadequate. Sponsored by the American Radio Relay League (ARRL), ARES functions at the local level to meet local communications needs.

Upon completion of this application and acceptance by Gwinnett ARES, you agree to: participate in training and other activities: develop and enhance communications skills; and, support emergencies. Upon acceptance, you will provide and maintain information on your skills, capabilities and available equipment in order to assist Gwinnett ARES in supporting emergency communications.
